ANTI BULLYING POLICY

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also considers the DfE statutory guidance “Keeping Children Safe in Education” 2019 and ‘Sexual violence and sexual harassment between children in schools and colleges’ guidance. The setting has also read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”.

This School Policy document is available to all pupils, parents and staff; a copy can be obtained on request from the School Office.

Staff can also use this policy to guide them if they feel bullied or harassed at work. They are also protected by the Whistle-blowing Policy.

By effectively preventing and tackling bullying our school can help to create a safe and orderly environment, where pupils are able to grow, learn and fulfil their potential.

Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.

- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools’ attention, which involves or effects pupils, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

I.E.Vicente Cañada Blanch community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff), to identify all forms of bullying and take appropriate action, following the school’s policy and procedures, including recording and reporting incidents.

- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

Advice to parents

If your child is being bullied, or you are told that this is a possibility, please let the Tutor, Class Teacher, or leadership team know immediately. Please reassure your child that we will deal with any matter sensitively but firmly. If we discover your son or your daughter is being bullied, or has bullied another pupil, we will contact you as soon as possible after the information is made known to us.

The school stresses the importance of maintaining a strong Home-School Partnership to minimise the risk of bullying occurring in the school.

Advice to teachers

If an instance of bullying occurs or you suspect it is happening, talk to the pupils concerned and ask them what has happened. Do not ask leading questions or promise confidentiality. Either ask them to write the details down, or do so yourself so that it can be passed on the Tutor, Class Teachers, Housemaster or Housemistress as a matter of urgency.

Particular vigilance is needed at breaks, at lunch, in Central Hall, in corridors between lessons, in the computer rooms both in class and when pupils are using computers in their own time, to include evenings and weekends, and less accessible areas to teachers like toilets and shower rooms. These are times and places where victims are less visibly supervised and bullying is not as easily seen or identified.

We recognise the importance of personal, social and health education within our school and its potential for influencing very positively the behaviour of all our pupils and staff, particularly as far as anti-bullying is concerned. Make sure you know, from the Head of PSHCEE what is covered and how you as a tutor or member of staff can make your contribution.

Remember you are a role-model as far as your own behaviour is concerned and ensure you do nothing which could be perceived as bullying behaviour towards pupils or others, or anything which could suggest you condone bullying or abuse of others.

Monitoring and review: putting policy in practice

- I.E. Vicente Cañada Blanch will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- Any issues identified will be incorporated into the school's action planning.
- The headteacher will be informed of bullying concerns, as appropriate.
